On behalf of Ohio CASA/GAL Association, Friends of CASA, CASA of Franklin County and its more than 200 active volunteers, we invite you to join us for CASA Day in Ohio. This event is a recognition of the important work being done by CASA volunteers throughout our state and a look forward to all the progress yet to come.

This year's event will be held on Tuesday, April 5, 2022, both virtually on Zoom and in-person at Mitchell Hall on the campus of Columbus State Community College, 250 Cleveland Ave., Columbus 43215 (see map below).

CASA Day in Ohio honors the work of Court Appointed Special Advocate Programs across the state, while recognizing National #ChildAbusePreventionMonth, and celebrating #NationalVolunteerMonth.

In-person registration begins at 9:30 with networking and remarks from 10:00 – 11:00 a.m. Ohio Lt. Governor Jon Husted will be among those speaking at this year's event. RSVPs can be made online at [www.ohiocasa.org/cdio](http://www.ohiocasa.org/cdio).

Our gathering coincides with both National Volunteer Month, honoring those who give of their time and talents to better the lives of all in our communities, and National Child Abuse Prevention Month, established to recognize the importance of families and communities working together to prevent child abuse and neglect.

We would be honored by your presence. Your support of our mission and CASA volunteers is integral to our success in advocating for the abused and neglected children in our community.

Please feel free to share this information with members of your staff and others whom you believe would like to join us. Working together now, we have accomplished much and, working together in the future, we will accomplish even more.

Thank you!
